Why did you choose to study at Swansea University?

To be honest, having a campus by the beach was one of the reasons! Swansea also offer unique courses and the practical experience offered is good.

Why did you decide to volunteer as a GO! Team member?

I am discovery volunteer, and through that I got the opportunity to be in the GO! Team. I like to meet new people and organise fun events so being a GO! Team member was such a good opportunity for that.

What do you see as your main job as a GO! Team member?

I facilitate socialisation among the international students who participate in the events. Sometimes, students can be a bit reserved or not sure how to start conversation, so I just do the talking for a bit and nudge them to do the same, professionally of course. It's great to see people making new friendships.

What makes a good GO! Team member?

It's about being friendly, approachable, optimistic and being informative and organised. But mostly it's about having a can-do attitude and doing your best.

What has been the best part of being a GO! Team member so far?

The opportunity to go on trips is amazing. Meeting so many students from all over the world and having the opportunity to socialise and be friends with them is a bonus.

Why do you think other students should apply to be on the GO! Team?

It's a great role if you want to hone your skills of organisation, communication and resourceful. Plus, it's a great place to improve your people skills and makes a great addition to your CV.

The GO! Team Volunteer Programme

Volunteering is a great way to meet people, gain employability skills and get involved with the community. If you'd like to volunteer as a GO!Team Member, and want more information please register for a discovery account and sign up to be a GO! Team Volunteer here:

GO!Eat | Cost £10 (usually)

International and Home Students have come along to a different Swansea-based restaurant each month to enjoy food from all the over the world and meet new friends too! Our host restaurant will typically provide us with a £10 set-menu for us and there's always plenty of food! GO!Eat evenings are advertised across social media and tickets are sold via:

5 Fun Things To Do In Spring:

- Brynmill park is a small well- preserved Victorian park where you can wonder around the grounds and feed the ducks and other wildfowl.
- Enjoy the charm of Clyne Gardens and look out for the Japanese Bridge and the Tower. Clyne gardens is full of colourful and rare species of plants and trees.
- Have a picnic in one of Swansea's beautiful parks or on the beach. You could also try your hand at flying a kite or playing football.
- Try your hand at mini golf or try a pedalo in Singleton Park. This is a great way of enjoying a lovely spring afternoon whilst taking in the fresh spring air.
- You may like to go for a walk in Penllergare Valley Woods and pick some wild flowers to make a bouquet or press them. This way you will have the memories of the time that you spent in Swansea.
